

Queen Elizabeth Territorial Park

Sometimes
you have to go
a little farther...

to get a little closer.

Camping is about getting away. Away to an adventure with whitewater, campfire songs, and trails to blaze. There's something about getting in touch with nature that always gets you more in touch with each other. Go the extra mile this summer and explore NWT parks.

Twin Falls Gorge Territorial Park

Sometimes
you have to go
a little farther...

to get a little closer.

Camping is about getting away. Away to a picturesque park with playgrounds, waterfalls, and campfire-roasted marshmallows. There's something about getting in touch with nature that always gets you more in touch with each other. Go the extra mile this summer and explore NWT parks.

To book at Twin Falls Gorge Territorial Park, visit: www.nwtparks.ca

*Yesterday, 120,000
moose hated John.
Today, 119,999
really hate John.*

Thanks to an 85% success rate in a place with the highest moose population density on the continent, John doesn't get much love.
